Assist District in the collection of post-implementation water samples on Monroe Creek Projects and the Payette Ditch Wetland.

*No Key Photo provided*

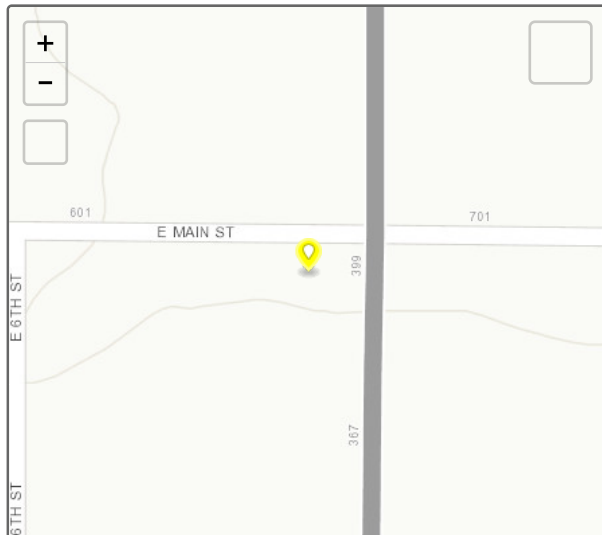

### Key Accomplishments

*Accomplishments to be provided upon completion of Project*

### Project Themes

- Healthy Watersheds

### Location

### Expenditures

*No expenditures provided*

## Photos

*No additional photos provided*

---

*Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.*
